Activities

On the first day of February, we celebrated the **Chinese New Year**, with video of traditional celebrations in China. We went through some of our residents' birth years and found out what animal they were. We also had a festive Chinese lunch cooked by our dietary staff with fortune cookies as well.

On the second we watched the **ground hog** from Woodstock, IL. to see if he saw his shadow and he did indeed see it so get ready for six more weeks of winter brrr.....

Movie days, Valentine's Day celebrations that included chocolate roses and cards for our residents and Presidents Day history rounded out our festivities for the month of February.

Upcoming Events

Some upcoming fun events we have planned will be starting with **Mardi Gras** on Fat Tuesday where people eat an abundance of paczki before Ash Wednesday.

To celebrate the beginning of **lent** we'll be serving paczki as a desert for the residents at lunch time.

On **Ash Wednesday**, March 2nd we will have a clergy come to give ashes to our residents who would like to receive them.

We are looking forward to longer days and springtime as we "**spring forward**" on March 13th.

St. Patrick's Day we will be celebrating by serving delicious corn beef, cabbage, potatoes, carrots and a slice of soda bread by our dietary cook. Entertainment will be provided by Chip Messiner a musician and singer from 11:00am -12:00 pm.

If the weather allows, we will kick off **spring** by going out and filling our bird feeders on the 20th at 11:00 am.
